

# 'Enterprise 2014'

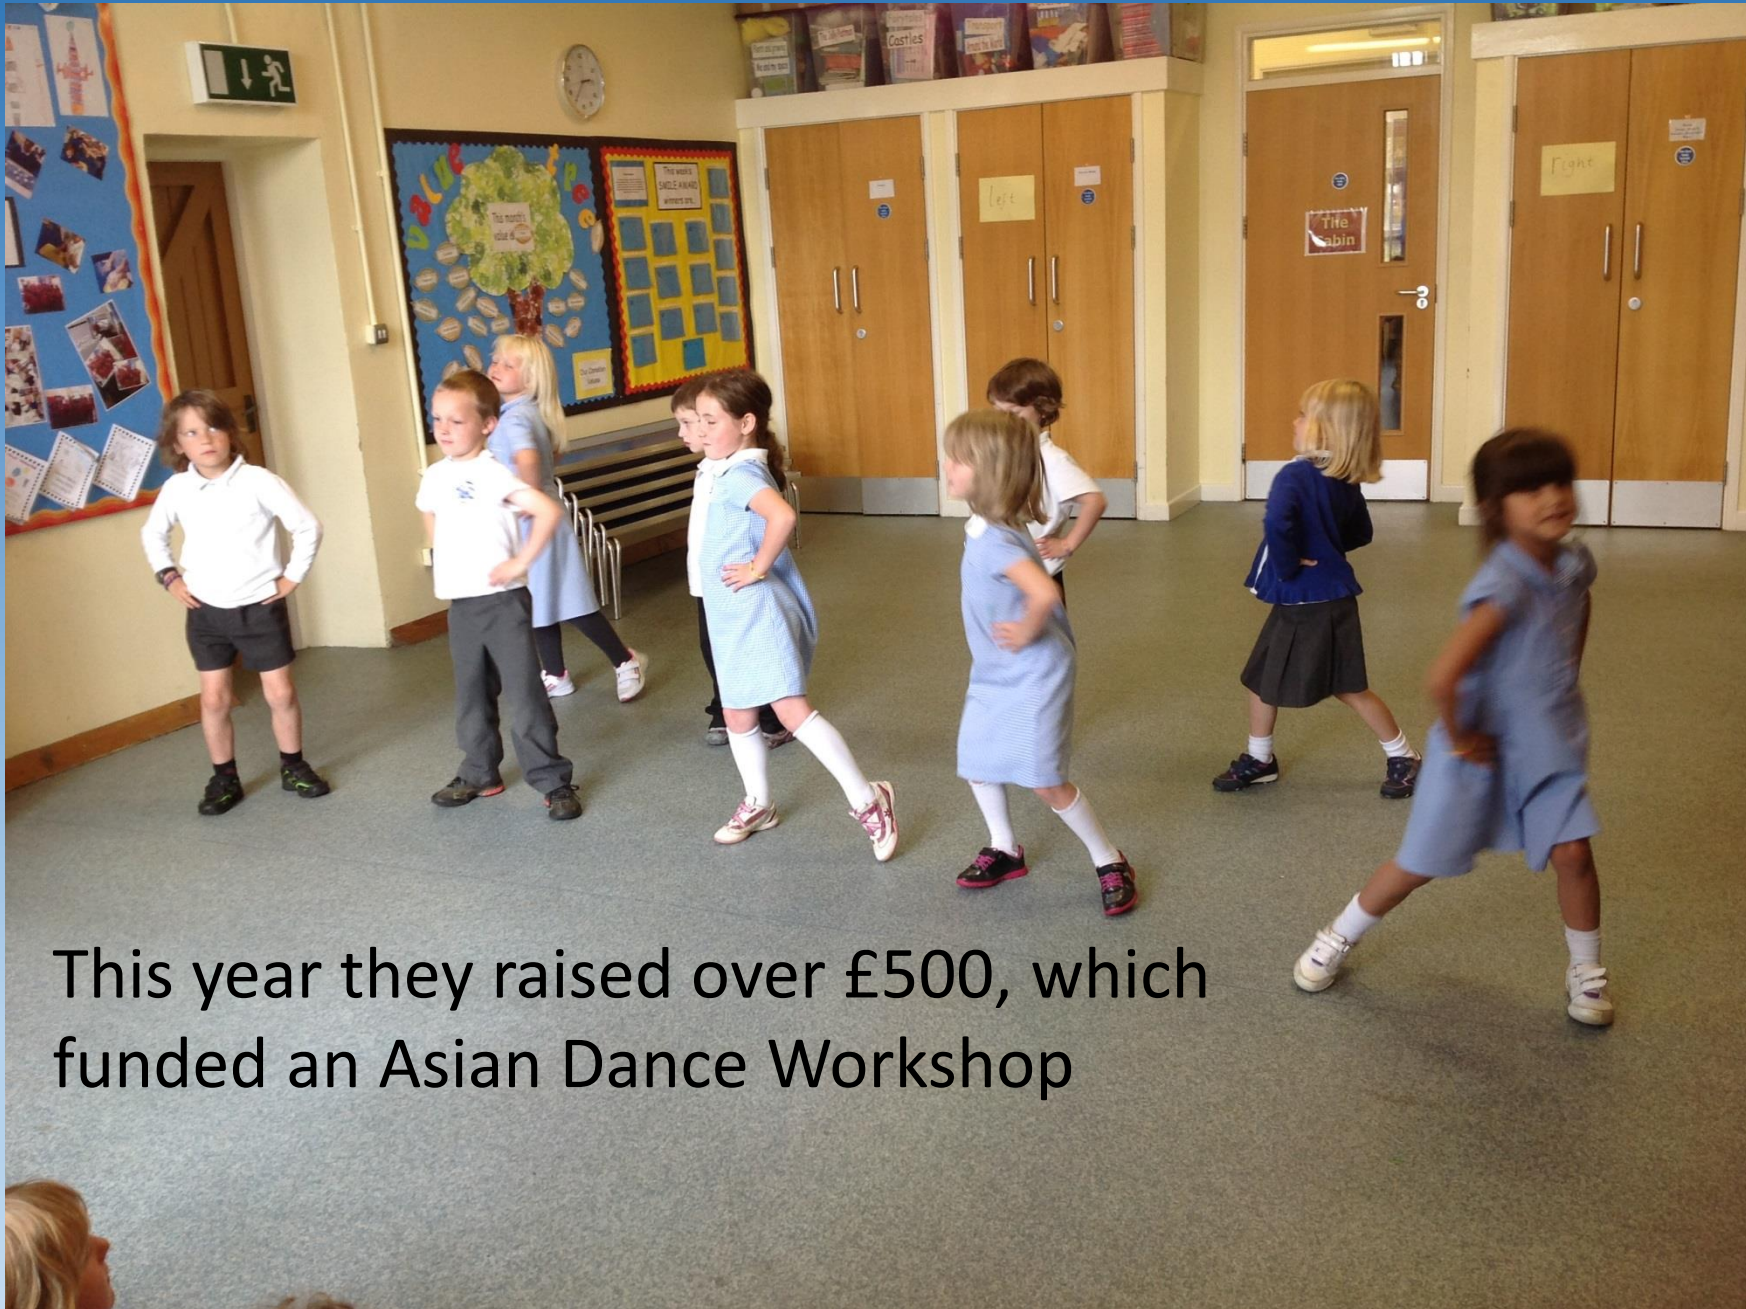

Leafield CE Primary School

Every year our children run an enterprise event. They work in groups to set up a business – an award goes to the group who makes the most profit! Last year the focus was African Enterprise; this year the focus was Asian Enterprise.

The children sell their goods and services at an Enterprise Event, that is open to families.

This year they raised over £500, which funded an Asian Dance Workshop
